Dear Ms. Zak,

Thank you for your letter of April 26th regarding the article you ran on the Quest for Peace. I'm glad to know that you have taken the initiative to support the Quest and to ask others to do the same. The work that the Quest does is invaluable, but they can't do it without financial and moral support.

I'll be sure to pass your letter on to the Quest for Peace Office. They'll be glad to see it, I'm sure.

Keep up your good work and please keep me in your prayers. I assure you of my prayers too.

Sincerely,

Tom Gumbleton
